WELCOME TO THE

# WELCOME WILLKOMMEN

## DEAR FRIENDS AND CAT LOVERS,

### **A very warm welcome to the Worldcatshow 2016 in Wien.**

About 7 years ago KKÖ decided to ask to host the worldshow. The year 2016 was chosen because it is also our 90 years' anniversary jubilee.

Austria is centrally located in Europe and the metropolitan area of Wien gives us the best connection into the world.

I hope you have planned to stay some days more in our city to enjoy the history as well as the pulsating live.

We are pleased to welcome exhibitors from 33 different countries and delighted that you brought your beloved and wonderful cats with you to this event.

Now you are here in this hall which originally hosted a live stock market starting 135 years ago.

The building itself under monumental protection is now revitalized and 2016 the venue for the FIFe worldshow.

Thank you for coming here with all your different hopes and expectations and with that helping us to making a wonderful event.

You have the unique chance to meet all this cat loving people from around the world and meet them with respect and joy.

KKÖ is a club with long history in Europe, but with a very few active members, I will thank them and our friends and neighbour country clubs, specially Felis Hungarica for their support.

The catalogue is done by our friends from Felis Polonia and our show team.

I would like to wish you a wonderful, relaxing show weekend here in Vienna and that you keep it positive in your memory.

Karl Preiss  
KKÖ president

## LIEBE KATZENFREUNDE,

### **Herzlich willkommen auf der Worldcatshow 2016 in Wien.**

Vor etwa 7 Jahren entschied sich der KKÖ, die Weltausstellung zu veranstalten. Das Jahr 2016 wurde gewählt, weil es mit unserem 90-jährigen Jubiläum zusammenfällt.

Österreich liegt zentral in Europa und die Großstadtregion Wien gibt uns die beste Verbindung zur Welt. Ich hoffe, dass Sie geplant haben, einige Tage in unserer Stadt zu bleiben, um die Geschichte und das pulsierende Leben zu genießen.

Wir freuen uns, Aussteller aus 33 verschiedenen Ländern begrüßen zu dürfen und freuen uns, dass Sie Ihre geliebten und wunderbaren Katzen mit auf diese Veranstaltung gebracht haben.

Jetzt sind Sie hier in dieser Halle, die ursprünglich als Nutzvieh-Schauhalle schon vor über 135 Jahren gedient hat. Das nun unter Denkmalschutz stehende Gebäude wurde revitalisiert und ist 2016 der Austragungsort für die FIFe Weltausstellung.

Auch vielen Dank, dass sie mit ihren Hoffnungen und Erwartungen zu uns gekommen sind und dazu beitragen eine bemerkenswerte Veranstaltung durchzuführen.

Sie haben die einzigartige Chance, alle diese Katzenfreunde aus der ganzen Welt kennen zu lernen und sie mit Respekt und Freude zu treffen.

KKÖ ist ein sehr traditionsreicher Klub in Europa, aber mit nur wenigen aktiven Mitgliedern. Ich bedanke mich bei ihnen und bei unseren Freunden und Klubs in unseren Nachbarländern, besonders bei Felis Hungarica für ihre Unterstützung.

Der Katalog wird von unseren Freunden von Felis Polonia und unserem Show-Team erstellt.

Ich wünsche Ihnen ein schönes, erholsames Shoochenende hier in Wien und hoffe, dass sie dieses als positives Erlebnis in ihren Erinnerungen behalten.

Karl Preiss  
KKÖ Präsident

# 90 YEARS / 90 JAHRE

The KKÖ is the first cat fancier's organisation of Austria which registered already cats when the Persians of our days had been called Angoras. The KKÖ owns one of Europe's oldest breeding books in which the cats had been registered uninterrupted from 1926 up to now and which has been saved over the second world war.

The foundation of the clubs took place in December 16th, 1925, the club was registered in 1926 with the pompous name "First and only club for the promotion of cat breeding and cat protection in Austria which is entitled as the only registration body to keep a breeding book."

The 5th International cat show was organized in June, 7th and 8th 1930 under the protector ship of baroness Maria von Popper-Podhragy, better known with her name as artist Maria Jeritza the famous austrian opera singer.

The independency of the club was interrupted in the year 1938 when the club was incorporated in August, 20th 1938 into the Third Reich's "Reichsverband der Kleintierzüchter". Already in December, 18th 1947 the club could continue with its independent work and got its current name "Klub der Katzenfreunde Österreichs".

The first cat show after the war was held in 1950 in the building of the Viennese stock exchange. President at that time was the winner of the Nobel prize in medicine, the scientist for studies in behaviour Mr. Konrad Lorenz, well known for his studies and projects concerning the grey goose.

In the general assembly of Turin in April 24th, 1959 the club was the first to join the international federation Fédération Internationale Féline FIFe which had been founded ten years before.

In the following years it got still in the club however in the year 1990 KKÖ received new impulses and registrations increased and several international shows per year were held. Now we continue this spirit and are proud to organize the largest show in Austria and in KKÖ ever.

90 years is a long time and we want to take this momentum from now to continue this way in the future.

Der KKÖ ist die erste Katzenorganisation Österreichs, die bereits Katzen registrierte, als die heutigen Perser noch Angorakatten genannt wurden, und besitzt eines der ältesten durchgehenden Zuchtbücher Europas, das selbst den zweiten Weltkrieg unbeschadet überstanden hat.

Die Gründung des Klubs fand am 16. Dezember 1925 statt, registriert wurde der Klub 1926 unter dem klingenden Namen: "Erster und einziger Verein zur Förderung für Katzenzucht und Katzenschutz in Österreich und berechtigt als alleiniger zur Führung eines Zuchtbuches".

Die 5. Internationale Katzausstellung am 7./8. Juni 1930 in Wien stand unter dem Ehrenschild der Freifrau Maria von Popper-Podhragy, besser bekannt unter ihrem Künstlernamen Maria Jeritza, einer der berühmten österreichischen Opernsängerinnen.

Einen Bruch in der unabhängigen Tätigkeit des Klubs brachte das Jahr 1938, als der Verein am 20. August in den "Reichsverband der Kleintierzüchter" zwangseingegliedert wurde. Doch bereits am 18. Dezember 1947 konnte der Verein unter seinem heutigen Namen "Klub der Katzenfreunde Österreichs KKÖ" wieder seine unabhängige Tätigkeit aufnehmen.

Die erste Nachkriegsausstellung wurde 1950 im Gebäude der Wiener Börse veranstaltet. Der Präsident des Vereins war zu dieser Zeit der Nobelpreisträger für Medizin und Verhaltensforscher Konrad Lorenz, der vielen durch seine Forschungsprojekte über die Graugänse bekannt ist.

Am 24. April 1959, anlässlich der 8. Generalversammlung in Turin der zehn Jahre zuvor gegründeten Fédération Internationale Féline FIFe trat der Verein der FIFe bei.

Danach wurde es still um den KKÖ, mit dem Jahr 1990 jedoch begann erneut der Aufschwung des Klubs, die Zahl der registrierten Katzen stieg und es werden jährlich mehrere internationale Ausstellungen abgehalten. Nun setzen wir diesen Trend fort und organisieren die größte Ausstellung die je in Österreich und im KKÖ stattfindet.

90 Jahre ist eine lange Zeit und wir werden dieses gewonnenen Schwung nutzen um unseren Weg in der Zukunft fortzusetzen.

# FÉDÉRATION INTERNATIONALE FÉLINE

**founded in 1949 by Mrs Ravel - France**  
**the official Statutes were registered in Luxembourg in 1998**  
**43 cat federations all over the world are members of FIFe**  
**well over 100.000 individual members in the different FIFe organisations**  
**over 110.000 pedigrees and 3000 cattery names per year**  
**over 230 international judges and 180 student judges**  
**about 700 shows a year and well over 200.000 cats exhibited**

The FIFe can be considered as the United Nations of Cat Federations. In fact it is a federation of national members representing, at present, 41 countries, with 42 full and 1 probational member, but whose numbers continue to grow. These member organisations have chosen to follow the same rules with regard to breed standards, breeding and registration, cattery names, shows, judges and student judges. This common interest has, over the years, been consolidated to create the high standard and international reputation of the FIFe.

The FIFe Board is the co-ordinating body on the international level. It is made up of 6 people from the member countries who are elected by the members; they manage the organisation according to its statutes. There are 5 supporting Commissions whose responsibility is to implement the decisions of the General Assembly and the Board.

These are: the Judges & Standards Commission, the Breeding & Registration Commission, the Show Commission, the Commission for Health & Welfare and the Disciplinary Commission. The democratic structure of the organisation guarantees each member equal voting rights at the GA.

The General Assembly convenes annually to discuss and vote upon the propositions of the members, to elect new officers, debate new regulations and accept common strategies.

FIFe has always had good relations with all the major cat organisations of the world. Its official seat is in Luxembourg and its official languages are French, German and English.

The Secretariat is administered by the FIFe General Secretary who works to handle the daily affairs for all the members; these include the co-ordination of show dates, the processing of cattery names data and the administration work of judges' examinations.

The name of FIFe is synonymous with quality and unity. It represents the interests of cats on a world-wide basis.

*Der FIFe könnte man auch die Vereinten Nationen der Katzenverbände nennen. Die aus nationalen Mitgliedern bestehende Vereinigung repräsentiert gegenwärtig 41 Länder, mit 42 Voll- und 1 Probemitglied. Diese Anzahl steigt jedoch stetig. Diese Mitgliedsorganisationen haben beschlossen, sich an einheitliche Bestimmungen in Bezug auf Zuchtstandards, Zucht und Registrierung, Zwingernamen, Ausstellungen, Richter und Richterschüler zu halten. Dieses gemeinsame Interesse hat sich über die Jahre noch weiter vertieft, um so die Grundlage für den hohen Standard und den internationalen Ruf der FIFe zu schaffen.*

*Der Vorstand der FIFe stellt das Koordinierungsorgan auf der internationalen Ebene dar. Er setzt sich zusammen aus 6 Personen der Mitgliedsländer, wird gewählt von den Mitgliedern und leitet die Organisation nach ihren Statuten. Zur Unterstützung gibt es 5 Kommissionen, in deren Verantwortung die Durchführung der Beschlüsse der Generalversammlung und des Vorstandes liegt: die Richter- & Standard Kommission, die Zucht & Registrierungs-kommission, die Ausstellungskommission, die Kommission für die Gesundheit und zum Wohl der Katze und die Disziplinarkommission. Durch die demokratische Struktur der Organisation werden jedem Mitglied die gleichen Stimmrechte in der Generalversammlung garantiert.*

*Bei der einmal im Jahr stattfindenden Generalversammlung werden die Anträge der Mitglieder besprochen und darüber abgestimmt. Es werden neue Funktionäre gewählt, neue Bestimmungen diskutiert und gemeinsame Strategien übernommen.*

*Die FIFe hat seit jeher gute Beziehungen zu allen großen Katzenorganisationen der Welt. Ihr Sitz ist in Luxemburg, die offiziellen Sprachen sind Französisch, Deutsch und Englisch.*
